

Before the Rainstorm Story Board

Yu "Hugh" Zhou

Area 1

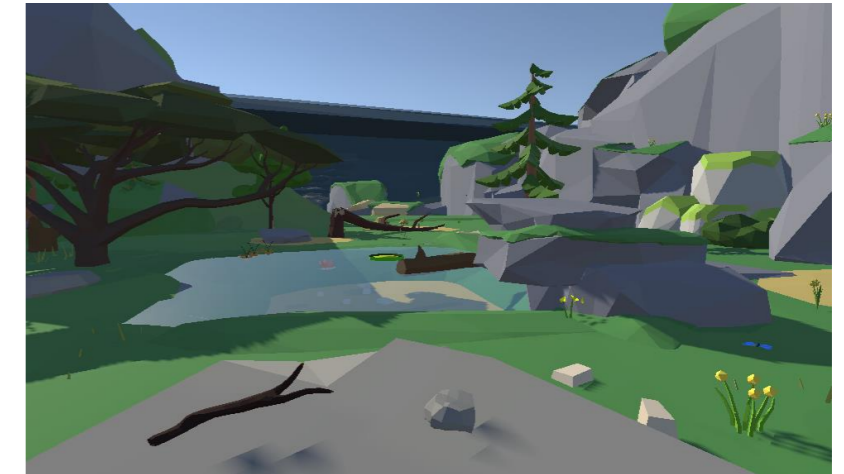

Wakes up from the nest and finds out the nest is broken; Sebastian needs to find some sticks to fix it.

Path1 (connect Area1 and Area2)

Once the nest is restored, Sebastian goes through path to the open world

Area 2

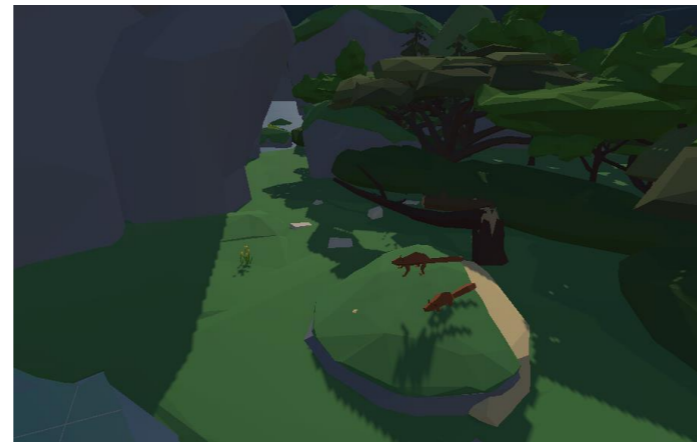

This is the usual playground for Sebastian, a good place to relax.

Path2 (connect Area2 and Area3)

Sebastian fly up all the way through the waterfall and see the approaching storm

Area3-1

Near the waterfall, there are the squirrel parents asking for help: baby squirrels are trapped in the center of river.

Area 3-2

Baby squirrels were playing on the rock before the heavy wind below the branches away. Sebastian finds a way to rescue the baby squirrels without alert the crocodiles

Path3 (connect Area3 and Area4)

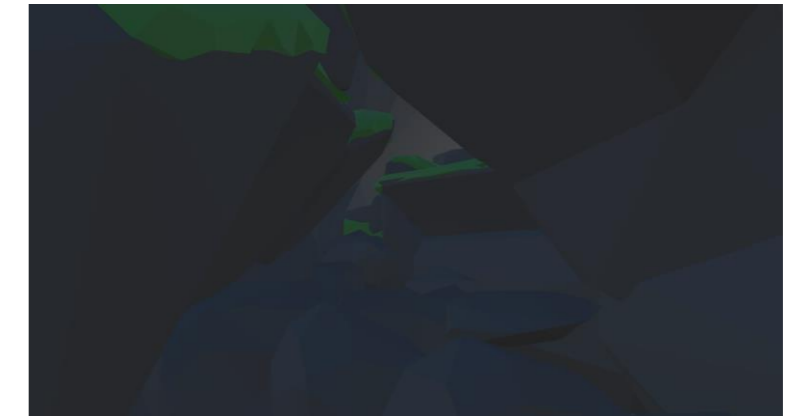

Time to reunite with the squirrel parents! Packing the baby squirrels on the back, follow the heavy wind, Sebastian fly through canyon.

Area 4-1

Family reunion! Yet the rain is getting heavier, Sebastian follows the squirrels head for the cliffs to escape from the rain.

Area 4-2

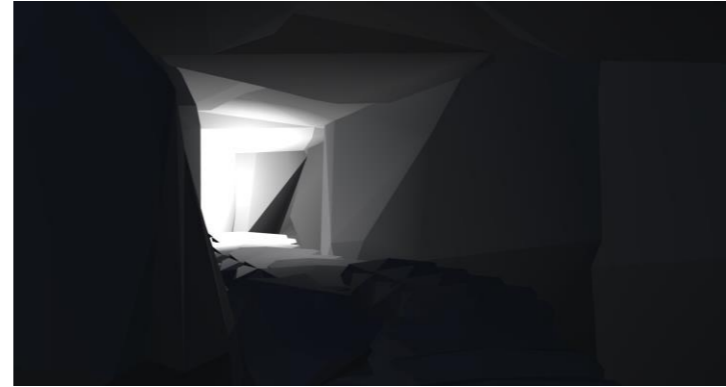

The squirrels easily cross the passage. Unluckily, the ground is no longer stable, and there is heavy wind from the opposite direction... Sebastian must carefully find the right path by tapping the ground with beak and wait for the moment when wind stop to jump... At the end of passage, when Sebastian is about to jump, lightning hit the mountain and causes landslide...

Area 4-3

Luckily, Sebastian made it to the other side, yet the landslide blocked the way back and sun. It is so dark in the cave and Sebastian need to wait for the lightning strike to identify the way...try not to fall, because snakes are wandering at the bottom of cave...

Ending

Finally made it to the exit of the cave and out there it is... the end.
