RECIPROCATE PASSION with PURITY

By People`s Esports

By the time of March 2023, Starcraft 2 hasn't been updated for a long time. Even the servers in China were shut down. It seems that the story of CN Starcraft 2 is going to end here...(jump to page 22)

In this cold winter when Blizzard left mainland China, there were still many people pursuing their fiery dream.

Oliveira winning the championship is the best curtain call to all starcraft players and fans in China.

But there are always people who do not yield to time, do not yield to darkness, leave no more regrets to CN Starcraft. At the end of the stage, bring out the most beautiful firework blossom.
